

The perfect wedding venue

Whiston Hall

Introduction

*Thank you for considering
Whiston Hall as your
wedding venue.*

Whiston Hall is a 19th century mansion house set in the beautiful Staffordshire moorlands on the edge of the Peak District

The house is a fine example of the beautiful architecture that is to be found in the area and will provide a memorable location for your wedding, ensuring long and happy memories of the most important day in the life of any couple.

The marriage ceremony would take place in the Civil ceremony room separate and private from the rest of the hall. Your wedding breakfast can be in the ballroom or the reception hall, both affording magnificent views of the Churnet Valley.

Our new well appointed Bridal Suite is now available. Comprising of a spacious room and bathroom it has all the facilities including tea and coffee.

If you could let us know which dates you are thinking of, along with an outline of how you see the wedding proceeding (don't worry if you have no set plans yet we will be happy to help). ***The next step would be to arrange a meeting at Whiston Hall.***

If you have any additional queries or other points you wish to discuss, please do not hesitate to contact us.

Yours sincerely,

Nigel Broster
